

## **ONE Prompt Novel Challenge: Are You Ready?**

Hey Writers!

Get ready for a challenge that's going to push your creativity to the max! We're kicking off the AI Writers Guild with the **ONE Prompt Novel Challenge**—and it's exactly what it sounds like. Your mission: to write a novel using just ONE prompt. Sounds easy, right? Well, here's the twist: you're going to see just how tough it is to fit an entire novel into one single prompt.

### **Here's what you need to know:**

1. **The Challenge:** You'll start by creating a novel based on one AI-generated prompt. This one prompt must cover your entire story—characters, plot, setting, everything!
2. **The Goal:** The whole point of this challenge is to show you that writing a novel takes way more than one simple idea. You'll realize that crafting a great story is a journey full of twists, turns, and a LOT of prompts.
3. **What to Expect:** You might feel a bit stuck or think, "How can I possibly fit everything into one prompt?" That's the point! We want you to experience how complex novel writing really is. But don't worry—this is just the start of your adventure.
4. **What's Next:** After you've tackled the ONE Prompt Novel Challenge, we'll dive into the fun stuff: learning how to break down your ideas into tons of prompts that will help you create an epic novel by the end of the course.

**Why This is Awesome:** This challenge is more than just a test—it's a way to kickstart your creativity and show you that writing a novel is all about perseverance, imagination, and lots of brainstorming. By the end of this, you'll see why it takes hundreds of prompts to build an incredible story.

So, are you ready to take on the challenge? Let's see what you can create with just ONE prompt! Get excited, get inspired, and let's start this writing journey together.

Let's do this!
